A MOTHER'S LOVE

A MOTHER'S LOVE

BY MICHAEL SUMMERS

Pop Surrealist Artist Michael Summers honors all mothers in his newest creation entitled *A Mother's Love*. Immortalizing the precious bond between mother and child, Summers depicts a mother giraffe protecting and watching over her little one. Their matching technicolor spots highlight their unique affection that endures for all time.

Michael Summers's ability to take the ordinary and transform it into the extraordinary is what makes him a master in his craft. The mother and child duo of *A Mother's Love* defines the artist's style and both figures speak to his persona. Michael Summers sees life as a child would, with curiosity, intrigue and amazement. He chooses to see the exceptional attributes in everything. Yet, the artist's execution of his acrylic paintings has the maturity and tenderness of the mother giraffe. He fosters them from mere creative genius to detailed, meticulously crafted paintings for all to enjoy.
